

Gone Too Far

Perkele

It's normal using dope
for the kids today
the legalizing process
has gone to far
I'm not gonna wait
for the misery
the final solution
is behind your door

I can't believe
what I see
I'm waiting
for the blood to flow

I can't believe
what I see
I'm waiting
for the blood to flow

The dope propaganda
is everywhere
on the children's CD's
and their TV screen
I'm gonna to hear
that shit anymore
the bomb is ready
to explode

I can't believe
what I see
I'm waiting
for the blood to flow

I can't believe
what I see
I'm waiting
for the blood to flow

I can't believe
what I see
I'm waiting
for the blood to flow

I can't believe
what I see
I'm waiting
for the blood to flow
