

# Heads Held High

Perkele

We don't need your rules  
We ain't nobody's fool  
We ain't a part of your society anymore

We don't need your rules  
We ain't your bloody tools  
Your society is not worth fighting for

We don't need your rules  
We ain't nobody's fool  
We ain't a part of your society anymore

We don't need your rules  
We ain't your bloody tools  
Your society is not worth fighting for

We walk trough your life's  
With our heads held high  
Ain't take no shit from you, from you  
We walk through our life's  
With our heads held high  
We walk trough your life's  
With our heads held high  
Ain't take no shit from you, from you  
We walk through our life's  
With our heads held high

We walk trough your life's  
With our heads held high  
Ain't take no shit from you, from you  
We walk through our life's  
With our heads held high  
We walk trough your life's  
With our heads held high  
Ain't take no shit from you, from you  
We walk through our life's  
With our heads held high

We supposed to live like you  
We ain't go into  
We ain't gonna pay your puppets anymore

We walk trough your life's  
With our heads held high  
Ain't take no shit from you, from you  
We walk through our life's  
With our heads held high  
We walk trough your life's  
With our heads held high  
Ain't take no shit from you, from you  
We walk through our life's  
With our heads held high  
We walk trough your life's  
With our heads held high  
Ain't take no shit from you, from you  
We walk through our life's  
With our heads held high

We walk trough your life's  
With our heads held high  
Ain't take no shit from you, from you  
We walk through our life's  
With our heads held high  
We walk trough your life's  
With our heads held high  
Ain't take no shit from you, from you  
We walk through our life's  
With our heads held high  
We walk trough your life's  
With our heads held high  
Ain't take no shit from you, from you  
We walk through our life's  
With our heads held high  
We walk trough your life's  
With our heads held high  
Ain't take no shit from you, from you  
We walk through our life's  
With our heads held high  
We walk trough your life's  
With our heads held ...
