Mistakes

Perkele

I regret, all those stupid things i've done
I'm ashamed, all those mean things that I've said
But I know, I was wrong

Once again, I hurt your feelings really bad
I'm so sad, it's so hard to apologize
But I know, I was wrong

I try to learn from my mistakes
Wish I could travel back in time
I try to learn from my mistakes
Don't want to hurt you anymore

I regret, all those stupid things i've done
I'm ashamed, all those mean things that I've said
But I know, I was wrong

Once again, I hurt your feelings really bad
I'm so sad, it's so hard to apologize
But I know, I was wrong
