

Trendy Wankers

Perkele

Trendy wankers - Fuck off! ... (2x)

Going to the disco every Friday, acting like a wanker, looking like shit

Always following the latest trends, you really make me want to puke

Trendy cunts you really make me sick, I hate you, get out of my way

Fuck the discos, fuck you all, I don't like you, you make me pissed off

(4x)

Trendy wankers, trendy wankers...

I hate you all - Fuck off!

Burn the discos to the ground, give the wankers what they deserve

I really hate your trendy music, sounds like shit, turn it off MTV on the television, I put my boot in the TV-screen

That's enough, you're too much, you wankers are destroying my day
