Hmi G D A

Hmi G D A
When we go to Stockholm, we will drink some beer with you
Hmi G D A
The same when we go to Oslo, we all know what to do
Have a party in New York and have a laugh with our friends
In every town, in every country, it's party time, Oi! Oi! Oi!

Chorus:
D A
When we come to your town you'll name it
Hmi G A
It's time to drink some beer
D A
When we come to your town you'll name it
Hmi G A
It's party time all the night

When we go to London, we will drink some pints with you
The same when we go to Glasgow, we all know what to do
Have a party in Berlin and have a laugh with our friends
In every town, in every country, it's party time, Oi! Oi! Oi!
