

Cronulla Breakdown

Pernice Brothers

Even if the stars go out on me tonight
Even if the moon bleeds out its blood for light

I know i can't take her love
As your memory drifts in like a samba
It's hard to be true
I'm still in love with you

Even if the day no longer meets the night
Even if the sun burns out my love for life

I know i can't take her love
As your memory drifts in like a samba
It's hard to be true
I'm still in love with you

We try so hard
To make the worst of a bad situation
I try to shake you
But I don't really feel like shaking

And if the stars go out on me tonight
Even if the sun burns out my love for life

I know i can't take her love
As your memory drifts in like a samba
It's hard to be true
I'm still in love with you

I'm still in love with you
