

Ferris Wheel

Pernice Brothers

Bring in the new one
Break off the seal
I'm dizzy and little
Like a Ferris wheel

Tea in the Sahara
I cut up my hand
Can't see for the brightness

How the moonlight is a bitter gold
Oh, I don't want to die
But you never know till you fail
Ferris Wheel

How the moonlight is a bitter gold
Oh, I don't want to die
But you never know till you try
Ferris Wheel

And you fail
