

Absofuckinglutely

Perrie

(I need ya)

Let's take a walk outside
He said the sunset's nice
We could just leave the wheels
But you can't walk the beach in heels
So I put on my flats
But my little black dress don't match
Oh God, he's on one knee
Can I get a tissue please?

'Cause he reaches into his pocket, pullin' out a little box
I'm tryna tell him yes, but I can't talk

He said, "What's the matter with ya, baby?
Tears are in your eyes
Shouldn't you be smilin?" Darling, no one died
You said you're never gonna lose me
So marryin' me, I said, "Absofuckinglutely"
What's the matter with ya, baby?
These are happy tears
Mr. Perfect Timing
Had me waiting years. It feels like I'm in a movie
So marryin' me, I said, "Absofuckinglutely"

Oh, darling, I'm a mess
This love's going to my head
You little lasso beat
You flew out my family
Oh, I got black mascara down both cheeks
Yeah, this is it, you're mine for keeps

Since you reached into your pocket and pulled out a little box
I've been cryin' like a baby, I can't stop (He said)

"What's the matter with ya, baby?
Tears are in your eyes
Shouldn't you be smilin?" Darling, no one died
You said you're never gonna lose me
So marryin' me, I said, "Absofuckinglutely"
What's the matter with ya, baby?
These are happy tears
Mr. Perfect Timing
Had me waiting years. It feels like I'm in a movie
So marryin' me, I said, "Absofuckinglutely"

It's a yes, boy, when you know, you know
It's a yes, don't ever let me go (Ooh-ooh)
It's a yes, boy, when you know, you know
It's a yes, the opposite of no

"What's the matter with ya, baby?
Tears are in your eyes
Shouldn't you be smilin?" Darling, no one died
You said you're never gonna lose me
So marryin' me, I said, "Absofuckinglutely"
What's the matter with ya, baby?

These are happy tears
Mr. Perfect Timing
Had me waiting years. It feels like I'm in a movie
So marryin' me, I said, "Absofuckinglutely"
