

Baby Steps

Perrie

Back to the start to the beginning
Back to my mama's on the weekends
Back to the way I was before I met you
I'm left with all these heavy feelings
With no help, I don't know how to feel them
When you're the only one I wanna talk to

Oh, holding on but I'm about to break
Gotta take it day by day

Oh
Where do I go?
How do I love when I can't love you any less?
Go around in circles, I'm a mess
So
How do I run?
How do I run? Can't even walk away from this
Learning to let go, it's gonna take baby steps

Rush through the day to get to my bed
'Cause when I'm awake, you just in my head
Hurts to know you chose to do life without me
And I hate to go to places that we used to go to
Hate to know the only way out is to go through
Hurts to know that right now, I just don't know how to

Ooh, holding on but I'm about to break
You still call me way too late

Oh
Where do I go? (Where do I go?)
How do I love when I can't love you any less?
Go around in circles, I'm a mess
So
How do I run? (Run, run, run, run, run)
How do I run? Can't even walk away from this
Learning to let go, it's gonna take baby steps

Oh-oh-oh
Oh-oh-oh
Oh-oh-oh
Learning to let go, it's gonna take baby steps
Oh-oh-oh
Oh-oh-oh
Oh-oh-oh
Learning to let go, it's gonna take baby steps

Gonna take baby steps
Learning to let go, it's gonna take baby steps
