

# Christmas Magic

Perrie

All the lights are glowin'  
And it's been another year  
There's magic in the air  
You can feel it everywhere  
Holidays are coming  
I'm just wishin' you were here  
I've hung the mistletoe  
For when you make it home

I've been countin' down the days  
Without you here, it's not the same

So, Santa, baby (Santa, baby)  
I know you're busy (Know you're busy)  
But my one wish is (But my one wish is)  
That you work your Christmas magic  
I'm still missin'  
My one true love  
So, if you're listenin'  
Can you work your Christmas magic?

(Santa, please) Won't you bring my baby?  
(Santa, please) Missin' him like crazy  
(Santa, please) I was thinkin', maybe you can work your Christmas magic

Now the snow is fallin'  
And I feel so cold tonight  
Wish you could keep me warm  
Wrapped up in your arms  
Hangin' up your stockin'  
Only one thing on my mind (Ooh)  
You know I've been good, you know I've been nice  
So please, Santa, bring all my wishes to life

Oh, Santa, baby (Santa, baby)  
I know you're busy (Know you're busy)  
But my one wish is (But my one wish is)  
That you work your Christmas magic  
I'm still missin'  
My one true love  
So, if you're listenin'  
Can you work your Christmas magic?

(Santa, please) Won't you bring my baby?  
(Santa, please) Missin' him like crazy  
(Santa, please) I was thinkin', maybe you can work your Christmas magic

I've been countin' down the days  
Without you here, it's not the same

Santa, baby  
I know you're busy  
But my one wish is  
Santa, baby (Santa, baby)

But my one wish is (But my one wish is)  
That you work your Christmas magic

I'm still missin'  
My one true love  
So, if you're listenin'  
Can you work your Christmas magic? Yeah

(Santa, please) Won't you bring my baby? (Ooh)  
(Santa, please) Missin' him like crazy (Oh, yeah, yeah)  
(Santa, please) I was thinkin', maybe you can work your Christmas magic
