

Goodbye My Friend

Perrie

They say nothing lasts forever
Well, that's what memories are for
Even though we're not together
You know I'll never close the door

I'll leave the light on
Yours to rely on
No need to cry 'cause I'm not really gone

Goodbye, my friend
This ain't the end, I'm sure
Go spread your wings
You know I'll be here for you when you come back again

When your name is up there shining
Just like I knew it always would
Mm-mm
I'll be cheering in the front row
Every time you need me, you know where to go

I'll leave the light on
Yours to rely on
No need to cry, I've been here all along
Mm-mm

Goodbye, my friend
This ain't the end, I'm sure
Go spread your wings
You know I'll be here for you when you come back again

(Ah-ah)
(Ah-ah-ah)
(Ah-ah)
(Ah-ah-ah)
(Ah-ah-ah)
You know I'll be here for you when you come back again

Goodbye, my friend
This ain't the end, I'm sure
Go spread your wings
You know I'll be here for you when you come back again
You know I'll be here for you when you come back again
