

Rollercoaster

Perrie

Everybody loves
I'll take the highs and the lows
This rollercoaster (Woo)
This roller-rollercoaster
Ooh, ooh-ooh (Oh), ah, baby
Mm
I'll ride, babe
This rollercoaster (Mm), this roller-rollercoaster

Problematic
It could be hell, it could be good magic, mm, mm
In automatic (Yeah)
We can go fast, it could be a crash-landing, oh, mm

You fix it with your kisses
They're so sweet, they're so delicious, I

It's the way you pull me closer (Ooh)
Every touch, it gets me so high (Ooh-ooh, so high)
When you're shaking me, making me fizz like pop cola
My head spinning, as long as my heart's in it, I'll ride (I'll ride)
This rollercoaster

I'll ride
This rollercoaster, this roller-rollercoaster
I'll ride
This rollercoaster, this roller-rollercoaster

It's a habit, mm
Tryna get help, but my heart won't have it, mm, mm
That's why I panic, ooh, yeah
Tryna do love, but I'm just bad at it (Oh), oh, da-da-da, no-no

You fix it with your kisses
They're so sweet, they're so delicious, I

It's the way you pull me closer (Ooh)
Every touch, it gets me so high (Ooh-ooh, so high)
When you're shaking me, making me fizz like pop cola
My head spinning, as long as my heart's in it, I'll ride (I'll ride)
This rollercoaster

I'll ride
This rollercoaster, this roller-rollercoaster
I'll ride
This rollercoaster, this roller-rollercoaster
I'll ride with you, baby
This rollercoaster, this roller-rollercoaster
I'll ride
This rollercoaster

It's the way you pull me closer (A feeling I can't get over)
Every touch, it gets me so high (A feeling I can't get over)
(A feeling I can't get over)
It's the way you pull me closer (A feeling I can't get over)
Everybody loves
(A feeling I can't get over)

(A feeling I can't get over)
This rollercoaster

(A feeling I can't get over)
(A feeling I can't get over)
(A feeling I can't get over)
It's the way you pull me closer
(A feeling I can't get over)
(A feeling I can't get over)
(A feeling I can't get over)
