

# Tears

Perrie

(I know I'm never getting back all my tears from you)

I don't even care anymore  
You can keep the pain of it all  
I know I'm never getting back all my tears from you  
I ain't mad that you made 'em fall  
You can keep the weight of it all  
I know I'm never getting back all my tears from you

Ooh  
I haven't thought about you once in months  
It's startin' to feel like  
You were nothing but a bad dream (Bad dream)  
Ah, ooh  
I finally get to see how good I look  
With no clouds in my eyes (My eyes)  
And I've gotta say, I'm tempting (Tempting)

Oh, said you're sorry now  
You should've been sorry then  
But you'll never see me cry again

I don't even care anymore (Don't care no more)  
You can keep the pain of it all (Can keep it all)  
I know I'm never getting back all my tears from you  
I ain't mad that you made 'em fall (You made 'em fall)  
You can keep the weight of it all (The weight at all)  
I know I'm never getting back all my tears from you

Oh, I don't, I don't, I don't want him back  
That's all, that's all that I'll let you have  
Hold on to them 'cause that was the last  
Of all my tears from you

You can spill them on the floor, they're yours  
So do what you want, babe  
I've been better off without them

'Cause I like me more now than I did back then  
Just removed you from the situation  
And you'll never see me cry again

I don't even care anymore (Don't care no more)  
You can keep the pain of it all (Oh-ah, can keep it all)  
I know I'm never getting back all my tears from you  
I ain't mad that you made 'em fall (You made 'em fall)  
You can keep the weight of it all (You can keep it, the weight at all)  
I know I'm never getting back all my tears from you, yeah (Never getting back all my tears from you)

Oh, I don't, I don't, I don't want him back  
That's all, that's all that I'll let you have  
Hold on to them 'cause that was the last (Do-do, do-do)  
Of all my tears from you

I don't, I don't, I don't want him back (My tears from you)

That's all, that's all that I'll let you have (My tears from you)
