

MIRACLE

Perry Blake

Drowning man could use some help
A heart of gold for a heart of delph
Just looking for some hope
Within this world
Like a rolling stone
I'll return to her
Whilst waiting for a miracle
Waiting for a miracle

Just looking for some hope
Within this world
Like a rolling stone
I'll return to her
Just looking for some hope
Within this world
Like a rolling stone
Just looking for some hope
