

We Couldn't Decide

Perry Blake

I couldn't decide
Couldn't decide
Couldn't decide

Moments of weakness
Long goodbyes
How long must lovers try?

You couldn't decide
Couldn't decide
Couldn't decide

And how the seasons changed
But our love remained the same

We couldn't decide
Couldn't decide
Couldn't decide

Now that the feeling is gone
These moments preserved in song

We couldn't decide
Couldn't decide
Couldn't decide
We couldn't decide
Couldn't decide
Couldn't decide
