

## All Through The Day

Perry Como

All through the day, I dream about the night  
I dream about the night here with you  
All through the day, I wish away the time  
Until the time when I'm here with you

Down falls the sun, I run to meet you  
The evening mist melts away!  
Down smiles the moon, and soon your lips recall  
The kiss I dreamed of, all through the day!

All through the day, I wish away the time  
Until the time when I'm here with you

Down falls the sun, I run to meet you  
The evening mist melts away!  
And down smiles the moon, and soon your lips recall  
The kiss I dreamed of, all through the day!
