

Buongiorno Teresa

Perry Como

Buongiorno Teresa
like the sun you brighten up my day
Good mornin' Teresa
smile at me an' send me on my way!

You sit by the tower,
the world rushes by,
sell me a flower,
an' straighten my tie!

I'll walk home this evening
through the lonely market place
I'll sleep well, I'll dream well,
because tomorrow I can say ''Buongiorno Teresa''
I love you more each day!

(instrumental)

I'll walk home this evening
through the lonely market place
I'll sleep well, I'll dream well,
because tomorrow I can say ''Buongiorno Teresa''
I love you more (I love you more!) each day!

Teresa!
I love you more each day!

Teresa!
I love you more each day!
