

I Want to Give

Perry Como

I wanna give
I wanna give my love to you completely
I beg of you
I beg of you to listen to my heart
I've never prayed like this before
And I'm askin' you not to close the door
For I can tame the wind and smooth the waters
If you just let me
I've never prayed like this before
And I'm askin' you not to close the door
For I can tame the wind and smooth the waters
If you just let me
I wanna give
I wanna give you all the strength within me
To make a world
To make a world that cannot fall apart
And you can sit upon a throne
Oh, I'll give it all just for you alone
For I can tame the wind and smooth the waters
If you just let me
And you can sit upon a throne
Oh, I'll give it all just for you alone
For I can tame the wind and smooth the waters
If you just let me
