

## Save Me The Dance

Perry Como

Save me the dance  
where the lights go down low  
save me the one they call  
the dance of "love"!

When the room is dark,  
every heart's aglow  
save me the dance of love  
an' never ever let me go!

It's our private song  
and our private band  
and when the dance is through

forever ever hold my hand!

Save me the dance  
where the lights go down low  
save me the one they call  
the dance of "love"!
