

## Someone Is Waiting

Perry Como

Someone is waiting,  
Waiting to walk from the shadow of lonely,  
In to the sun...  
It takes a moment to happen,  
Fortune may smile on you,  
Only a moment,  
And there is the one!

High on a hilltop or in the heart of town,  
A touch of the dreamer, won't let you down,  
If not tomorrow, then someday,

Somehow in time you'll discover that someone,  
Waiting (waiting...)  
Waiting, like me!

High on a hilltop or in the heart of town,  
A touch of the dreamer, won't let you down,  
If not tomorrow, then someday,  
Somehow in time you'll discover that someone,  
Waiting (waiting...)  
Like me!
