

There's No Boat Like a Rowboat

Perry Como

Oh, there's no boat like a rowboat
for row, row romancin' love...

Hearts will skip an' they'll miss
as we kiss in the dark
Oh what love we can make
on a lake in the park

It's an ocean of devotion
a floating dream for two...

Oh, I keep hopin' that
the oars will stray
so we could drift forever
and a day!

'Cause, there's no boat like a rowboat
it's row, row rosy
for row, row romance
in a row, row, rowboat with you!

(Don't wanna steam boat!)
that's not my dreamboat
(Don't wanna sail boat!)
or a whale boat!
(Don't wanna tug boat, a chug-a-lug boat!)
or an ocean liner
on it's way to China!

Oh, there's no boat like a rowboat
for row, row romancin' love...

It's an ocean of devotion
a floating dream for two...

'Cause, there's no boat like a rowboat
in a row, row rowboat with you!

(I could skip an' they'll miss
as we kiss in the dark)
Oh what love we can make
in the lake in the park

(It's an ocean of devotion
a floating dream for two...)

Oh, I keep hoping that
the oars will stray
so we could drift forever
and a day!

'Cause, there's no boat like a rowboat
it's row, row rosy
for row, row romance
in a row, row, rowboat with you!
