

# The Revolution Solution

Perry Farrell

Oh, I've hoped for comfort  
But I've never felt too safe  
And in this hard life  
I've had to navigate  
Through un-exhausted  
Has been my virtue

Ooh, I've hoped for comfort  
But I've never felt too safe  
And in this hard life  
I've had to navigate  
Through un-exhausted  
Has been my virtue

They set themselves against I  
They set my pride on fire  
Phoenix always rises high  
Rebel crusader

Driven to decisions  
They trapped me into  
The revolution solution  
Oh, I've come to join you

Oh, I've hoped for comfort  
But I've never felt too safe  
And in this hard life  
I've had to navigate  
Through un-exhausted  
Has been my virtue

Ooh, I've hoped for comfort  
But I've never felt too safe  
And in this hard life  
I've had to navigate  
Through un-exhausted  
Has been my virtue

The paradox of poverty  
Has left us dismayed  
Sliding democracy  
Washing away

The toil of the many goes  
To the fortunate few  
The revolution solution  
Oh, I've come to join you

The toil of the many goes  
To the fortunate few  
The revolution solution  
Oh, I've come to join you
