

## Exitivm

## Pestilence

Injecting the mental venom  
The weakening of human thoughts  
Catatonic state and numb  
Soulles esoteric corpse

The ancient ones devour  
Moving through time and space  
Using the external power  
Exitivm of the human race

Infiltrating, humiliating, desecrating, annihilating

Superior external beings  
Worshipped and feared at times  
Their sightings seen but you're still not seeing  
To what us defines

Infiltrating - now gone is all trust  
Humiliating - Slave to infernal lust  
Desecrating - the utmost Holy Grail  
Annihilating - feeble human d-n-a

Solo: Mameli

Infiltrating, humiliating, desecrating, annihilating

Solo: v. Noordenburg

Smokescreens clogging all reason  
Cloning multiple realities  
To begin the unholy treason  
Lost in countless possibilities

Infiltrating - now gone is all trust  
Humiliating - Slave to infernal lust  
Desecrating - the utmost Holy Grail  
Annihilating - feeble human d-n-a
