## Pestilence

Deadlier than a thousand imploding suns  
This terror expands at the speed of light  
The rise of negative emotions has begun  
The mental bowing down at their sight

Now see the world - Human Evolution undone  
Imminent chaos - See HIS creation gone  
Look at the Sun - dying and imploding  
Deadly servants - LIFE decoding

MORTIFERVM

As they show themselves and manifest  
To this dimension and penetrate the flesh  
Injecting the blackest venom and detest  
All living organisms they shall possess

Now see the world - Human Evolution undone  
Imminent chaos - See HIS creation gone  
Look at the Sun - dying and imploding  
Deadly servants - dna decoding

Seeking first - the mentally unstable  
To set an example - of what is next  
Fighting the superior - you are unable  
Infiltrating feeble - thoughts in effect

Solo: Mameli  
Solo: v. Noordenburg

Mental illness is not an obsession  
It's the infernal host entering your soul  
Only to be detected through expression  
Eaten from the inside out into coal

Now see the world - Human Evolution undone  
Imminent chaos - See HIS creation gone  
Look at the Sun - dying and imploding  
Deadly servants - live decoding
