

Bolshy

Pet Shop Boys

Raise your voice
(Podnyat svoy golos)
Start a feud
(Nachat vrazhdu)
Spoilt for choice
(Izbalovannyiy vyiborom)
I hesitate
(Ya ne reshayus)
to intrude
(vmeshivatsya)

Oh, bolshy, bolshy, bolshy, oh
Bolshy, bolshy, bolshy, oh
Bolshy, bolshy, bolshy, oh
Where you lead my heart will go

Give me a sign
Give me a smile
I'll wait if you say
it'll be worth my while

There you are
(Tam vyi)
Pretending you're lonely
(Vyi odinoki)
I don't believe
(Ya ne veryu)
you don't know you could own me
(Vyi mozhete vladet mnoyu)

Oh, bolshy, bolshy, bolshy, oh
Bolshy, bolshy, bolshy, oh
Bolshy, bolshy, bolshy, oh
Where you lead my heart will go

Bolshy, bolshy, bolshy, oh
Bolshy, bolshy, bolshy, oh
Bolshy, bolshy, bolshy, oh
Where you lead my heart will go
