

## Do Be True

Pete Droge

Hold me up  
Run me down  
One collosion left me grinning on the ground  
Ah lover  
Do be true  
Do be true

Call me out  
Bring me in  
Show me how your senses ringing will begin  
Ah lover  
Do be true  
Do be true

You're outta site  
You're dynamite  
Drove me crazy  
When you coveted me tonight  
Ah Lover  
Do be true  
Do be true

Tell me I'm  
Everything  
Make me feel like this forever in the swing  
Ah lover  
Do be true  
Do be true

Turn me on  
Rock n Roll  
Take me over put me under your control  
Ah lover  
Do be true  
Do be true
