

# Higher

Pete Murray

I got you on my mind  
I want you when you're solo  
Cause you gotta lot of mighty fine time  
Now you're on your way  
Don't leave me behind  
Cause it's all about to turn around and get

Higher and higher leave it all behind  
And your fire, fire is an all time high  
Now you're brighter, brighter than the morning sky  
You break the wire, wire nothing holds your light  
It's time to fly

I'm sitting here  
Watching your star rise  
I'm so proud of you kicking everybody's jazz  
Holding all the way  
I won't leave your side  
I'll be standing here when you turn around and get

Higher and higher leave it all behind  
And your fire, fire is an all time high  
Now you're brighter, brighter than the morning sky  
You break the wire, wire nothing holds your light  
It's time to fly

Higher and higher leave it all behind  
And your fire, fire is an all time high  
Now you're brighter, brighter than the morning sky  
You break the wire, wire nothing holds your light

Higher and higher leave it all behind  
And your fire, fire is an all time high  
Now you're brighter, brighter than the morning sky  
You break the wire, wire nothing holds your light  
It's time to fly

Higher, higher  
Higher, higher  
Higher, higher  
Higher, higher  
Higher, higher  
Higher, higher  
Higher, higher  
Higher, higher
