

# I Am Fire

Pete Murray

I am fire, I am rain  
You can not treat me anyway that you think you can

I am strength, I am pain  
I won't be broken I'll be the one who takes a stand

I am fear, I am light  
And I stand for good, I won't go down without a fight

I am darkness but I know what's right  
I'll stop brutality with all my might  
I'll stop brutality with all my might

I'm here to save you when ever you need me  
Just know that I'm not too far  
Come and take my hand I hope you can see me  
I am fire I'll save the night  
And I'm standing up for your love  
And I'm standing up for one love

I am peace, I am pace  
I'll be my own leader, of one true fair place

I am calm, I am strain  
All my actions they will never all be in vain  
All my actions they will never all be in vain

I'm here to save you when ever you need me  
Just know that I'm not too far  
Come and take my hand I hope you can see me  
I am fire I'll save the night  
And I'm standing up for your love  
And I'm standing up for one love

I am fire and I will save  
I am fire and I will save

I'm here to save you when ever you need me  
Just know that I'm not too far  
Come and take my hand I hope you can see me  
I am fire I'll save the night

And I'm standing up for your love  
And I'm standing up for one love  
I'll never let you down  
And I'm standing up for our love  
I'll never let you down  
And I'm standing up for our love  
I'll never let you down  
I'll never let you down  
I'll never let you down
