

Tonic

Pete Murray

See your face just the other day
Takes me back to the other place
When I feel it's not too far away
And I just want to hold your hand and walk with you on another day

I want you to sit on my lap
And do the sweet things
That we used to

At the place just the other day
And I ordered a drink the tonics on its way
When I feel it's not too far away
And I just want to hold your hand and walk with you on another day

I want you to sit on my lap
And do the sweet things
That we used to
I love you
So come on girl
Let's do the sweet things
That we used to
