

# Lonesome

Pete Rock

Are you lonesome like me? (Are you lonesome?)  
Could you be lonesome (Are you lonesome?) for me?  
Oh (Are you lonesome?)  
Could you be lonesome (Are you lonesome?) for me?  
Oh (Are you lonesome?)  
Are you lonesome (Are you lonesome?) like me?  
(Are you lonesome?)

I thank God for the day and my cousin Ajile  
And the one that got away, I'm the potter's clay  
Speak and it will be just like my mama say  
I'm seekin' to be free like a holiday  
My man get the work off, I'm tryna get these words off  
Pops left, love gone, that was my first loss  
Skin in the game like I'm playin' with my shirt off  
A lot on my shoulders, I'm tryna get the dirt off  
Somehow it comes back, every love I'm in  
My endless love always comes to an end  
In the cycle, I spin like Michael Jackson  
Moonwalkin', I do often, I knew loss in  
Places where hurt tried to find its home  
Like I'm tryna buy a house, I find myself a loan  
When love is in the air with the wind, I be gone  
My grandma say, "You don't wanna die alone."

Could you be lonesome (Are you lonesome?) for me?  
Oh (Are you lonesome?)  
Are you lonesome (Are you lonesome?) like me?  
(Are you lonesome?)

Read 23rd Psalms and feel the world in my palms  
Close my eyes, I still feel my baby girl in my arms  
Learned love from my moms, from my pops, I got charm  
Grew up around the Stones, they told me to rock on  
With that, the world accordingly  
And knew that there was more to me  
Learned to love the mic so I pursued it Jordanly  
Sometimes I felt alone like nobody thought of me  
Before I formed in the womb, God thought of me  
Don't take for granted what divine order ordered me  
Fears, they fought in me  
Tears, they watered me  
This was the hustle to set me and my daughter free  
Family supported me, combatin' the mortal me  
Here's embroidery of things that I oughta be  
Peers applauded me for things I never saw in me  
The artistry of loneliness, I paint a picture  
Yea I walk through the valley to myself sayin' scriptures

Could you be lonesome (Are you lonesome?) for me?  
Oh (Are you lonesome?)  
Are you lonesome (Are you lonesome?) like me?  
(Are you lonesome?)

Beautiful one, beautiful one  
I'm proud of what you have become, you have become  
And you doin' it young, though you say that you old

Them struggles to your goals is just the weight of your soul  
If you fall on the path, just stay on the road  
You a queen, you playin' with gold  
Some things that happen in life, it's just the way that it goes  
Onto your lovely self I pray that you're whole  
Young Moye, I feel happy when I see you enjoy  
Though, you always call me talkin' 'bout you annoyed  
Some come, some go  
Remember daddy is home  
Even when I'm gone, you're not alone

Are you lonesome (Are you lonesome?) like me?  
(Are you lonesome?)  
Could you be lonesome (Are you lonesome?) for me?  
Oh (Are you lonesome?)  
Are you lonesome (Are you lonesome?) like me?  
(Are you lonesome?)  
Could you be lonesome (Are you lonesome?) for me?  
Oh (Are you lonesome?)
