If It Can't Be Reduced

Pete Seeger

If it can't be reduced, reused, repaired
Rebuilt, refurbished, refinished, resold
Recycled or composted
Then it should be restricted, redesigned
Or removed from production

Hooray for the city of Berkeley
Hooray for the city of Berkeley
Hooray for the city of Berkeley
And its zero waste commission

Hooray for the city of Berkeley
That beautiful city of Berkeley
Hooray for the city of Berkeley
And its zero waste commission

If it can't be reduced, reused, repaired
Rebuilt, refurbished, refinished, resold
Recycled or composted
Then it should be restricted, redesigned
Or removed from production, here we go

Hooray for the city of Berkeley
Hooray for the city of Berkeley
Hooray for the city of Berkeley
And its zero waste commission

Hooray for the city of Berkeley
That beautiful city of Berkeley
Hooray for the city of Berkeley
And its zero waste commission
