

The Pill

Pete Seeger

You wined me and dined me
When I was your girl
Promised if I'd be your wife
You'd show me the world

But all I've seen of this old world
Is a bed and a doctor bill
I'm tearin' down your brooder house
'Cause now I've got the pill

All these years I've stayed at home
While you had all your fun
And every year that's gone by
Another baby's come

There's a gonna be some changes made
Right here on nursery hill
You've set this chicken your last time
'Cause now I've got the pill

This old maternity dress I've got
Is goin' in the garbage
The clothes I'm wearin' from now on
Won't take up so much yardage

Mini skirts, hot pants
And a few little fancy frills
Yeah, I'm makin' up for all those years
Since I've got the pill

I'm tired of all your crowin'
How you and your hens play
While holdin' a couple in my arms
Another's on the way

This chicken's done tore up her nest
And I'm ready to make a deal
And you can't afford to turn it down
'Cause you know I've got the pill

This incubator is overused
Because you've kept it filled
The feelin' good comes easy now
Since I've got the pill

It's gettin' dark, it's roostin' time
Tonight's too good to be real
Oh, but daddy don't you worry none
'Cause mama's got the pill
Oh, daddy don't you worry none
'Cause mama's got the pill
