

Eminence Front

Pete Townshend

Sun shines
People forget
The spray flies, speedboat glides
People forget
Girls smile... people forget
The snow packs, the skier tracks
People forget
They forget they're hiding

On an eminence front
Eminence front, it's a put on
Eminence front
Eminence front, it's a fuck'n put on

Drinks flow
People forget
Big wheel spins
The hair thins, people forget
The news slows... people forget
The shares crash, hopes are dashed, people forget
They forget they're hiding

Eminence front
Eminence front, it's just a put on
Eminence front
Eminence front, it's just a put on
Eminence front

Come on join the party dress to kill
