

Different Roads

Pete Yorn

Sittin' around, wonderin'
How your life has really been
Haven't heard from you in quite some time
We've been traveling on different roads
You're going out, I'm coming home
I hope you know you're always on my mind

It's hard to think that I'm
The only one who feels this way
When you're alone do you
Think of me?
Like I've been thinkin' 'bout you
Hope you know I wanted it too

We were racin' around killin' time
Finding out what hid inside
Till we ran the car right off the road

It's hard to think that I'm
The only one who feels this way
When you're alone do you
Think of me?
Like I've been thinkin' 'bout you
I hope you know I wanted it too
Oh like I've been thinkin' bout you
I hope you know I wanted it too
