

# I Don't Know What to Do

Pete Yorn

I don't want you coming here  
No way, no way  
I can't have you staying here  
No way, no way  
Every time I am reminded  
Of the good thing that we use to know  
And I know you're not expecting  
To go on second guessing  
But I think it's for the best

I don't want you coming here  
No way, no way  
I can't have you staying here  
No way, no way  
Everytime I see your eyes  
I want to walk with you in moonlight  
And I know you're not intending  
To go on just pretending  
But I think it's for the best

But when you're with me darling I don't believe in anyone else  
I'm so confused by you  
I don't know what to do  
I don't want you coming here

Yeah I don't want you coming here  
No way, no way  
I can't have you staying here  
No way, no way

But when you're with me, darling I don't believe in anyone else  
I'm so confused by you  
I don't know what to do  
But when you're with me, darling I don't believe in anyone else  
I'm so confused by you  
Love, tell me what to do  
Ohhh  
I don't want you coming here
