

Rooftop

Pete Yorn

Comin over the rooftop baby
Comin over the rooftop
Would you save me?
Cos I'm not okay
Comin over the rooftop baby
Comin over the rooftop
Would you save me?
Cos I'm not okay
And seasons change for everyone
I've seen it all
And if the rain comes down
Let the rain come down
Comin over the mountain baby

Comin over the mountain
Would you save me?
No I'm not okay
Comin over the mountains baby
Comin over the mountains
Would you save me?
Cos I'm not okay
And seasons change for everyone
I've seen it all
And if the rain comes down
Let it rain on me
-yeah-
Comin over the rooftop baby
