## Wheels

We have our wheels To take ourselves away We got telephones To say what we can say We all got higher and higher everyday Come on wheels Take this boy away

We're not afraid to ride We're not afraid to die So come on wheels Take me home today Come on wheels Take this boy away

Now when I feel My time is almost up And destiny is in my hands I'll turn to Him Who made my faith so strong Come on wheels Make this boy a man

We're not afraid to ride We're not afraid to die Come on wheels Take me home today Come on wheels Take this boy away
