

Just Another Make Out Song

Peter Allen

I'd throw away your pictures
Burn all your letters too
I can try to erase
Any trace that there ever was of you
But one thing ain't right
Since you've been gone
I've still got one question
I hope that I'm wrong

Do you make love to him
To my music?
Am I right there with you?
Singin' of love gone wrong
Am I the melody?
There in the background
Tell me when did I turn into
Just another make-out song

It didn't take you long
To find somebody new
I just turned around
And I found he had hold of you
But I can't take back
All the things we had then
But please don't share my feelings
With your brand new friend

Do you make love to him
To my music?
Am I right there with you?
Singin' of love gone wrong
Am I the melody?
There in the background
Tell me when did I turn into
That same old sad song
