

# Somebody's Got Your Love

Peter Allen

I've been away too long  
And I'm waiting in  
Cause darling, when I'm holding you  
You're minds not here

Somebody's got your love  
Somebody's got your heart  
Somebody's got your mind  
And I can feel it  
It's tearing us apart  
I see it in your eyes  
And now you're starting to show it  
But tell him your mind  
That you're mine  
Can you tell him your mind

Something's not the same  
I can feel it in your touch  
Cause we don't seem to be together  
Quite as much

Somebody's got your love  
Somebody's got your heart  
Somebody's got your mind  
And I can feel it  
It's tearing us apart  
I see it in your eyes  
And now you're starting to show it  
But tell him your mind  
That you're mine  
Can you tell him your mind

You don't know what you're doing  
And I don't think you understand  
About somebody's heart is suddenly groping  
And now I'm gonna stop you if I can  
So darling please don't go  
We've been together way too long  
And I know we can make it if we just hold on

Somebody's got your love  
Somebody's got your heart  
Somebody's got your mind  
And I can feel it  
It's tearing us apart  
I see it in your eyes  
And now you're starting to show it  
But tell him your mind  
That you're mine  
Can you tell him your mind
