

## Islands In The Stream

Peter Andre

Baby, when I met you there was peace unknown  
I set out to get you with a fine tooth comb  
I was soft inside, there was something going on  
You do something to me that I cant explain  
Hold me closer and I feel no pain  
Every beat of my heart  
We got something goin on  
Tender love is blind  
It requires a dedication  
All this love we feel  
Needs no conversation  
We ride it together, ah-ah  
Makin love with each other, ah-ah

Islands in the stream  
That is what we are  
No one in-between  
How can we be wrong  
Sail away with me to another world  
And we rely on each other, ah-ah  
From one lover to another, ah-ah

I cant live without you if the love was gone  
Everything is nothin if you got no one  
And you did walk in tonight  
Slowly loosen sight of the real thing

But that wont happen to us and we got no doubt  
Too deep in love and we got no way out  
And the message is clear  
This could be the year for the real thing

No more will you cry  
Baby, I will hurt you never  
We start and end as one, in love forever  
We can ride it together, ah-ah  
Makin love with each other, ah-ah

Islands in the stream  
That is what we are  
No one in-between  
How can we be wrong  
Sail away with me to another world  
And we rely on each other, ah-ah  
From one lover to another, ah-ah

Sail away  
Oh, come sail away with me

Islands in the stream  
That is what we are  
No one in-between  
How can we be wrong  
Sail away with me to another world  
And we rely on each other, ah-ah  
From one lover to another, ah-ah
