

Take Me Back

Peter Andre

Tell me lady, oh yeah
Is there something
I should know tonight?
I believe in our love
So what do I do
Just to keep you by my side

I know that I cannot turn it around
We've come too far
And I can't let go baby

Please don't leave me, don't you leave
'Cause there will never be another lover
That could make me feel this way
I didn't mean it, I know it wasn't fair
Say what you want, do what you want
But I'm gonna make you mine, all mine
Again

Special moments, ooh babe
Is that something we can just forget?
(Never, never, never)
We made a pact girl, I remember
But now you're leaving
And I need you by my side

I know that I cannot turn it around
Believe me baby, if only I could
But we've come too far
And I can't let go, my baby

You are the lady in my life

Ooh I ooh I, ooh I ooh I, ooh I ooh I
Take me back

I know that I cannot turn it around
We've come too far
And I can't let go, baby

You are the lady in my life (my life)

You are the lady in my life (my life)

Take me back (take me back)
Take me back (take me back)
Take me back (take me back), oh
C'mon and be my lover
I said, c'mon and be my lover
I need your lovin'
I need your lovin baby
I said c'mon and be my lover
'Cause I need you like no other
I need your lovin', I need your love
Baby give me one more chance
