

# I'm Losing My Mind

Peter Bjorn and John

I'm losing my mind  
Way behind  
I'm losing my mind  
That's why, I ain't fine  
That's why, I ain't fine

It's coming to get me  
It's hear to collect me  
I can laugh if I have to  
But it won't make me happy  
That's why, I ain't fine  
That's why, I ain't fine

I'm losing my mind  
Way behind  
I'm losing my mind  
That's why, I ain't fine  
That's why, I ain't fine

(3x)

I'm losing my mind  
Way behind  
I'm losing my mind  
Way behind
