

Hello To Nils

Peter Broderick

First I'm here and then I'm there
Then I'm here and then I'm there
From there I'll go anywhere

And there's always somewhere
That I'll be going
And I just might go without you knowing
Any place from China to Brazil
I said any place from North Carolina to Israel

But most of the people that I know
Are the kind that I like to tell when I go
I'm lucky to have so many good friends
But because it is so often that I am going
And because I tell most of the people I'm going
I say goodbye too often
I say goodbye too often

Old news: airport security
New news: too much airport security
And I say goodbye too often

Old news: Unpack the suitcase
New news: It's on the plane
And I say goodbye too often

Old news: This place looks nice
New news: It's time to leave again
And I say goodbye too often

Old news: I like the food here
New news: I had good food there once
And I say goodbye too often

Old news: Goodbyes are hard
New news: Goodbyes are still rough
And I say goodbye too often

Old news: I'll miss you when I'm gone
New news: I miss you cause I'm gone
And I say goodbye too often

Old news: Time heals all wounds
New news: Time heals all tunes
Time heals all tunes
And I say goodbye too often

I say goodbye too often
Hello, hello
I say goodbye too often
Hello, hello, hello
I say goodbye too often
Hello, hello, hello
Hello, hello, hello
I say goodbye too often
Hello, hello, hello
Hello, hello, hello

Hello, hello, hello
Hello, hello, hello
