## **Rainbow Connection**

## **Peter Cincotti**

Why are there so many songs about rainbows And what's on the other side?
Rainbows are visions, but only illusions
And rainbows have nothing to hide

So we've been told and some choose to believe it I know they're wrong, wait and see Someday we'll find it, the rainbow connection The lovers, the dreamers and me

What's so amazing that keeps us stargazing And what do we think we might see? Someday we'll find it, the rainbow connection The lovers, the dreamers and me

All of us under its spell We know that it's probably magic

Have you been half asleep and have you heard voices?
'Cause I've heard them calling my name
Is this the sweet sound that calls the young sailors?
The voice might be one and the same

I've heard it too many times to ignore it It's something that I'm supposed to be Someday we'll find it, the rainbow connection The lovers, the dreamers and me
