

# Empty Room

Peter Doherty

If you ever find yourself an empty room  
Get down into the empty room  
You can't stop reeling, can't stop feeling for the tomb  
You've time a-plenty, you

Hey la, hey la  
Hey la, hey la

Well, do you think you'll ever get out to the empty room?  
Right round to the empty room  
Strong armlock, the way was blocked, barring us entry to  
Now we're down a-plenty too

Hey la, hey la, hey la, hey la  
Hey la, hey la, hey la  
Hey la, hey la, hey la, hey la

Will you ever find yourself an empty room?  
Down to the empty room
