

Empty Room

Peter Doherty

If you ever find yourself an empty room
Get down into the empty room
You can't stop reeling, can't stop feeling for the tomb
You've time a-plenty, you

Hey la, hey la
Hey la, hey la

Well, do you think you'll ever get out to the empty room?
Right round to the empty room
Strong armlock, the way was blocked, barring us entry to
Now we're down a-plenty too

Hey la, hey la, hey la, hey la
Hey la, hey la, hey la
Hey la, hey la, hey la, hey la

Will you ever find yourself an empty room?
Down to the empty room
