

# Fingee

Peter Doherty

Where's the fingee, fingee, fingee  
Where's the fingee? Bring me fingee  
Bring me hooter-stingy fingee  
Where's the Doris? Where's the geezer with the fingee?

Was that "jump," I heard you say?  
"How high?" is what I say  
"How high?" is what I say  
"How high?"  
I say, "How high?"  
When you say, "Jump," I say, "How high?"  
I say, "How high?"

Where's the fingee, fingee, fingee  
Hooter-stingy fingee, bring me  
It makes me dance, it makes me sing, it makes me singy  
Makes me dance and floats my dinghy

Was that "jump," did you say?  
Well, "How high?" is what I'll say  
"How high?" is what I'll say  
"How high?" is what I'll say  
"How high, how high?"  
"How high?" is what I'll say  
I'll say, "How high?"

Where's the fingee?  
The fingee, bring me fingee
