

Someone Else To Be

Peter Doherty

Looking for another chance
Looking for someone else to be
Looking for another chance
To ride into the sun

Ride into the sun
Ride into the sun
Ride into the sun
Ride into the sun

Relief coming after us
Write it in the sand
Relief comes with expression
They came hand in hand

Ride into the sun, sun
Ride, ride into the sun, yeah
Ride into the sun
Ride into the sun
Where

Everything seems so pretty
If you're sick and tired of the city
Remember it's a flower
Made out of clay

The city
Where everything seems hunky dory
And if you're sitting alone in self pity
Remember you're just one more person who's living there

Take me to the place where you go
Where nobody knows if it's night or day
But please don't put your life in the hands
Of a Rock n Roll band
And throw it all away

Ride into the sun
Ride, ride into the sun
Ride into the sun, sun
Ride into the sun

Looking for another chance
Someone else to be
Looking for another chance
To ride into
