

Hummingbird In a Box

Peter Frampton

There is a puzzle in the wood blocks
Inside a mystery that unlocks
You find a hummingbird in a box
A gift from the orient
A young boy amused
The wise old bandit said
"You have to make the right moves."
There is a puzzle in the wood blocks
Inside a mystery that unlocks
You find a hummingbird in a box

The inlay is beautiful
The secret concealed
It's not just the bird inside
The joy in the boy is revealed
There is a puzzle in the wood blocks
Inside a mystery that unlocks
You find a hummingbird in a box
A puzzle in the wood blocks
Inside a mystery that unlocks
You find a hummingbird in a box

Pushing and sliding
A pattern of blind
Something is hiding inside
There is a puzzle in the wood blocks
Inside a mystery that unlocks
You'll find a hummingbird in a box
A puzzle in the wood blocks
Inside a mystery that unlocks
You find a hummingbird in a box
