

I'm A King Bee

Peter Frampton

Well, I'm a king bee, buzzin' around your hive
Well, I'm a king bee, buzzin' around your hive
Well, I can make honey, baby, let me come inside

I'm young and able to buzz all night long
I'm young and able to buzz all night long
When you hear me buzzin', baby, some stingin' is going on

Well, buzz a while
Sting it, then

Well, I'm a king bee, want you to be my queen

Well, I'm a king bee, want you to be my queen
Together, we can make honey, the world haven't never seen
That's right, ooh yeah

Well, I'm a king bee, can buzz all night long
Well, I'm a king bee, can buzz all night long
But I can buzz better, baby, when your man is gone
When he's gone
